

# Design Project

Design a fictional cake for a film/show of your choice.

Choose a film and think about a particular scene that you'd like your cake to appear in. This doesn't have to be a real scene in the film, you can imagine your own scene. Eg. A birthday party for Daisy in the Great Gatsby or a posioned cake given to Aurora in Maleficent. Miche's wedding cake in People Just Do Nothing.

Gather references for the set that the cake appears in as well as the cake itself.

Make some sketches of what your cake could look like.

Think about the size of the cake and have a go drawing it to scale

Your finished design should include a detailed drawing of the cake with measurements and notes. Include key references that give a sense of style and colour.

Try to imagine that you will be handing this design over to a prop maker and you want them to produce exactly what you have envisaged!

Film references

Back to the Future

Matilda

The Grand Budapest Hotel

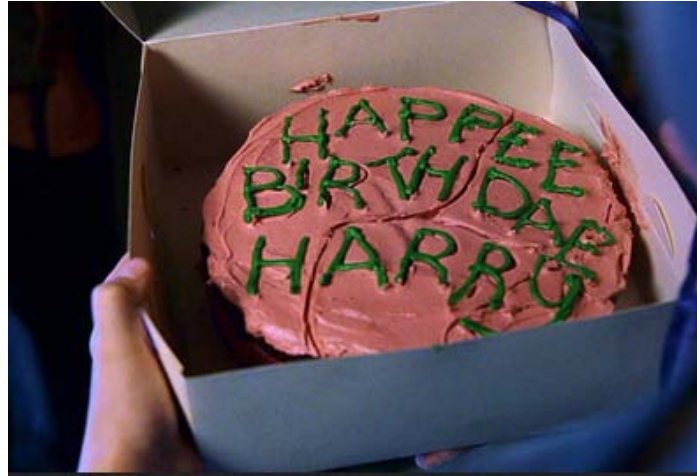

Marie Antionette

## Film references

Bridesmaids

Harry Potter and the Philosopher's Stone

Office space

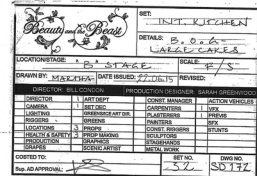

Singing in the Rain

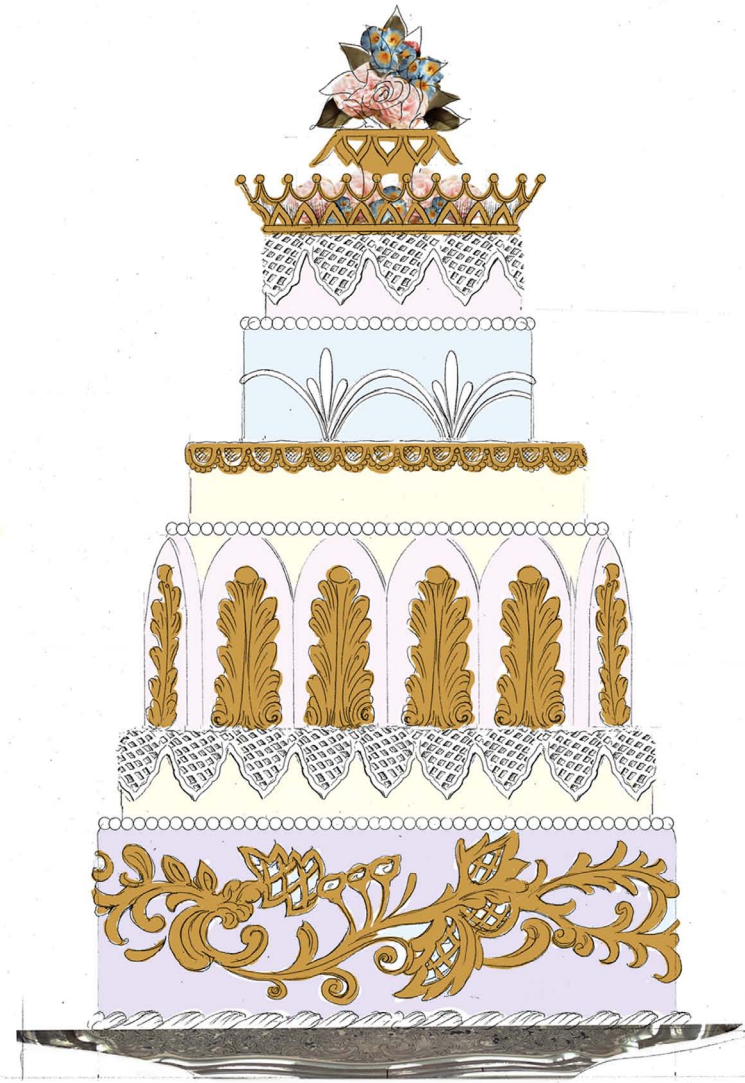

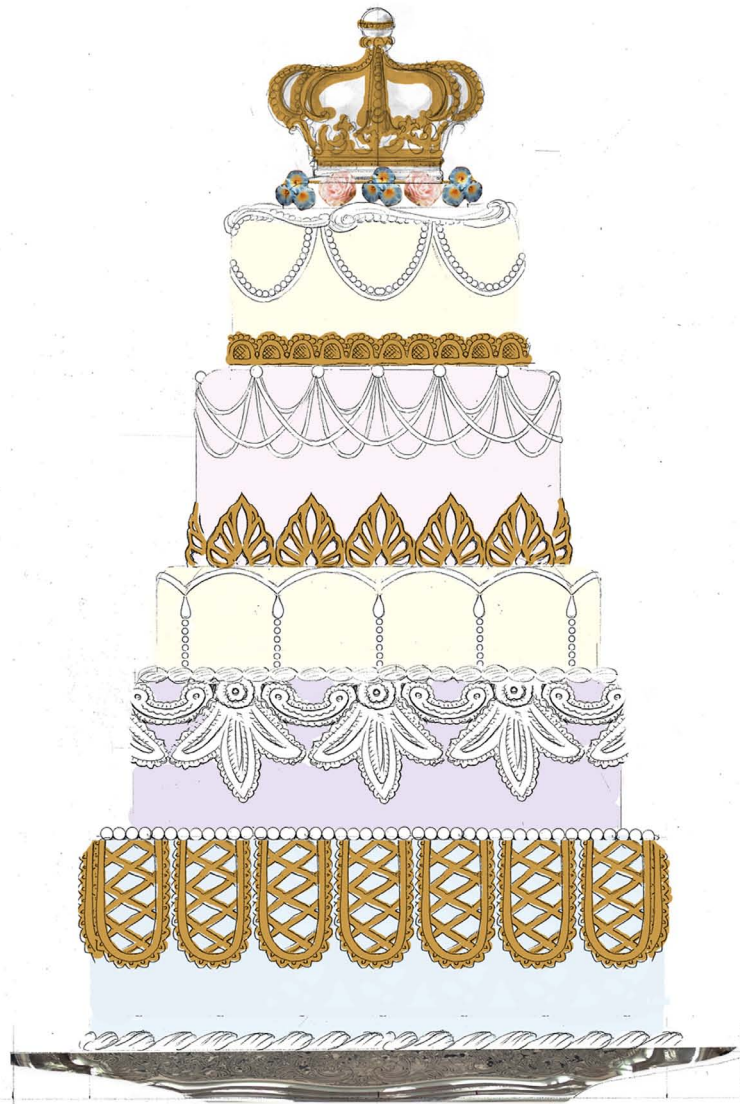

Sleeping Beauty
